Our Flag Ship Commercial Grade Solution, specifically built with dealer feedback in mind, just got even better.

A Best in Class cooling capacity (6 Gallons per hour), Flow Rate (1.4 Gallons Per Minute), an anti-microbial and Dust repellent coating; the 2500 Performance Series features a sleek look, high quality construction, and un-paralleled reliability. It is the ultimate solution for an office and any high traffic area.

It is equipped with an LED illuminated extra large dispensing gap, making it ideal for sport bottles and coffee pots. Dispensing both hot and cold water, is equipped with an LG compressor, surgical stainless steel High Capacity hot and cold tanks, as well as a built in leak detector.
